MOMO AND THE THIEVES OF TIME

Momo and the Thieves of Time is a classic tale of good versus evil. A wise, kindhearted girl named Momo finds herself caught up in a plot to steal away the time of all people. As the demonic Chairman and his henchmen, the Grey Gentlemen, pursue the one person who manages to evade them time after time, Momo must find a way to defeat the Chairman with the help of her friends Professor Hora and his turtle Cassiopeia.

(Description by Kat Carlisle and Penelope Kaye)
